Invitation

The Trilateral symposium will be held in Prague, October 23 – 24, 2009 under the auspices of the Czech Society of Nephrology. Organizing committee proposes new and attractive concept of this meeting that targets to junior nephrologists and researchers.

The Symposium is devoted mainly to the presentation of research work of young investigators. Blocks of scientific presentation of young scientists (under 35 years of age) will be introduced by the state of art review lectures given by selected tutors, who will also chair the discussion.

We consider this frame of meeting as a convenient way how to offer the opportunity for young colleagues to present results of their research at the international level. But we also would like to enjoy the opportunity to hear guest lectures of leading experts in the field of nephrology in our region.

10 first participants with active contribution (oral presentation) from each country (Czech, Poland and Germany) will have fully reimbursed the registration fee and accommodation. Travel costs need to be covered by the all participants. Dear colleagues, we believe that you find novel model of trilateral symposia interesting.

We are looking forward to welcoming you in Prague.

Romana Ryšavá, Ondřej Viklický, Ivan Rychlík, Vladimír Teplan

Symposium chairs

Symposium venue

The symposium will be held in Hotel ILF (www.hotel-ilf.cz), just few meters from metro C-line station Budějovická in Prague 4. The city centre is just about 10 minutes by metro from the symposium venue.

Accommodation

The accommodation for the participants is arranged in the symposium venue. Hotel ILF offers single and double-bedded rooms. For the first 10 participants with active presentations from each country and their tutors the registration and accommodation for the symposium will be free.

Social Programme

Get together dinner at famous historical "U Fleků" beer restaurant will be held on October 23rd, 2009 and is free for all registered participants.
